

ENROLMENTS FOR 2027

The Waterloo School Board invites applications from parents of out of zone students who wish to enrol at Waterloo School for 2027 to apply now for the next ballot.

The exact number of places will depend on the number of applications received from students who live within the school's home zone. Waterloo School has a limited number of places.

Enrolment information can be collected from the school office. Alternatively you can access enrolment forms or enrol online via the school website www.waterloo.school.nz/enrolling.

The deadline for receipt of applications for out of zone places is Monday 12 October 2026 at 3.00pm. Parents of students who live within the home zone should also apply by this date to assist the school to plan appropriately for this year.

If the number of out of zone applications exceeds places available, students will be selected by ballot in accordance with our enrolment scheme, to be held on Friday 16 October 2026. Parents will be informed of the outcome of the ballot within 3 school days of the ballot being held.

Please contact the school office with any enquiries on 9392055 or admin@waterloo.school.nz.
