BYOD OPTION At Waterloo School, we have a **Bring Your Own Device** policy in the Year 4-6 Hub. The device we use at Waterloo is a Chromebook.

If you are interested please go to our website www.waterloo.school.nz and look at the options. If you would like more information, you can email our IT support lcranefield@waterloo.school.nz

We have highlighted some items that need to be named, but if you could name as many things as possible it would be hugely appreciated.

We are a sunsmart school. Your child will need

- a brimmed hat which protects face, neck and ears (**Caps not acceptable**) -
- sunblock (which your child will need to administer independently) - optional
