BYOD OPTION At Waterloo School, we have a Bring Your Own Device policy in the senior school. The device we use at Waterloo School is a Chromebook.

If you are interested, please go to our website www.waterloo.school.nz and look at the options. If you would like more information, you can email our IT support person, Leigh on lcranefield@waterloo.school.nz

We are a sunsmart school. Your child will need a brimmed hat which protects face, neck and ears (caps are not acceptable).

Sunblock (which your child will need to administer independently) is optional, as are sunglasses.
